PRESS RELEASE

O₂Micro[®] International Limited announced that it has entered into a worldwide technology license agreement relating to the company's patented inverter controller technology with Sanken Electric Co., Ltd.

O₂Micro[®] Announces Technology License Agreement with Sanken Electric Co., Ltd.

O₂Micro[®] International Limited announced that it has entered into a worldwide technology license agreement relating to O₂Micro's patented inverter controller technology with Sanken Electric Co., Ltd. ("Sanken").

Under the licensing agreement, O₂Micro will license certain of its inverter controller patents to Sanken.

O₂Micro's technology includes innovative solutions relating to powering cold cathode florescent lamp backlights for liquid crystal display panels. This technology is one example from O₂Micro's portfolio of patented technologies.

O₂Micro looks forward to building a successful business relationship with Sanken.

By order of the Board
Sterling Du
